Tradescantia Purple Passion

DuraBella*Plus* builds on our successful Durabella® combinations, by adding a "spiller" component from our Accent Plants or Floresta™ assortment. These premium combinations encourage a higher price point at retail, as well as enhanced customer enjoyment. Our suggestions in these pages feature components that can be grown with the same schedule and culture as our Durabella® program.

Bringing The Heat™

+ Lysimachia Goldi

Lakeside Haven™

+ Tradescantia Tricolor

Cottage Time™

+ Tradescantia Purple Passion

Recommended Add-Ons from Our Portfolio

Floresta™

- Begonia hybrida Red Slippers
- Tradescantia
- Rhoeo
- Hedera

- Lami™ Lamium
- Lysimachia
- Plectranthus
- Sedum rupestre Angelina
- Vinca major

Add-on components of Floresta™ are available from Danziger Guatemala and are shipped separately from DuraBella®. Annual and Perennial add-on components used as thrillers may require a dierent growing period. For support and planning guidance, please contact our team.
