

GOLDEN GLORY™

you are invited to get
GLORIOUSLY RICH

Danziger is proud to present our leading Solidago variety, the Golden Glory™.

We hope you enjoy this brochure and that it would help inspire your lovely flower arrangements with our Golden Glory™.

THE KING OF
YELLOW FILLERS

Golden Glory™
fits nicely in natural
wildflower bouquets

The Golden Glory™ has a strong, striking and an impressive presence in floral arrangements. It is possible to obtain a multi-dimension effect by arranging its stems in different heights

The Golden Glory™ clusters are rich with dense flowers. All flowers open fully & almost simultaneously

The Golden Glory™
blends nicely with other types of
flowers in premium arrangements,
bouquets but also as mono.
