

Step by Step with
MILLION STARS[®]
Million moments to treasure

WE WOULD LIKE YOU TO SPEND MILLIONS OF HAPPY MOMENTS WITH OUR MILLION STARS®

Danziger “Dan” Flower Farm is excited to present the new step-by-step brochure for flower-designing with Million Stars®. Million Stars® with its rich inflorescence, filled with very small white flowers like stars in the sky, is a unique Gypsophila. It is convenient to separate the stems from the bunch and easy to work with and handle when preparing flower-arrangements.

We invite you to get inspired, create and innovate your special moments with our Million Stars®- as friendly as ever.
