## ESSENTIALS FLOWERS

The backbones of beautiful bouquets. They provide a framework for the design concept, add stunning depth and draw emphasis to a specific focal point in an arrangement. They can also be used as a stand-alone centerpiece that creates a WOW effect.

# SHOW STOPPER FLOWERS

The center of attraction in every bouquet that stand out in comparison to their smaller counterparts. The focal flower is usually identified as the largest flower in a bouquet – a single bloom per stem, that adds stability to a design and grabs the attention of the viewer.

# CHRYSANTHEMUM
