Dear Partners,

We are thrilled to present to you our new 2026-2028 Perennials Catalog, now updated to be biennial, aligning with our commitment to greener practices. Danziger offers a diverse mix of perennials as top quality unrooted cuttings. The full line is produced and supplied through Danziger Kenya, and controlled under our strict protocols. All Danziger genetics are first year flowering which has the benefit of no bulking or vernalization requirements. We invite you to IMAGINE MORE with the Danziger perennial assortment worldwide!

The Danziger Team

DELILAH™ SHIRAZ VELVET

DANZIGER KENYA

Your Source for High Quality Plant Material

We take pride in our role as a center of excellence for both the breeding and production of plants and flowers. Our State-of-the-Art facilities use cutting-edge equipment to ensure the production and supply of quality, clean plant material.

Danziger Kenya is known for its high-quality URC and cutting production of Annuals & Perennials. Additionally, it is a top-notch producer of perennial flowers sourced from other breeders' genetics.

- End-to-end production supply chain
- High quality, clean and uniform plant material
- Global operations
- Agile response to our customers needs 24/7
- Advanced information technology support systems
- Strong link to the market
- International production standards

Located in Naivasha, Kenya

12 Acres and expanding

Provides services to EU, ASIA and North American markets

The information regarding tolerance presented in this catalog is based on tolerance demonstrated through field observations and/or laboratory diagnostics, as applicable. Danziger makes no representation and does not warrant or guarantee that the variety will exhibit the stated tolerance in practice, due, among other things, to various factors that may occur in the cultivation area.

ENJOY THE EXPERIENCE WHILE GROWING YOUR OWN NATURAL-LOOKING BOUQUET. YOU DON'T NEED TO BE A FLORIST OR A PROFESSIONAL GARDENER TO GET THE BEST FROM YOUR CUT FLOWER GARDEN

This DIY program allows the home gardener to grow, nurture and collect fresh flowers from their own garden – from the garden to the vase.

WE KNOW CUT FLOWERS we carefully trialed and selected the best varieties to fit this program from Danziger's cut flower genetics. Each bloom has a vase life of 7-10 days.

Garden to Vase™, **GROW** your garden, **CUT** your flowers, **ENJOY** your blooms, **REPEAT** the cycle, season after season.

Delivering Convenience and Flexibility Together

Online Ordering System

Our online ordering system is designed for your convenience, ensuring that placing and managing orders is both quick and effortless.

- Place new orders
- Update existing orders
- EDI connection for faster service
- Access real time availability
- Placing Standby orders

Contact our team today to start ordering through our user-friendly online system.

Flexible Ordering Protocol

FIRST CUTOFF

Until Tuesday, one week before the shipment date, new orders and changes can be made, until 5 pm EST.

LATE ORDERS

Until Friday the week before shipping, new orders can be made until 5 pm EST.

STANDBY

If product is not showing available, a standby order can be placed by EDI or requested by email. Our customer service team will review and respond within 48 hours.

Order Terms

- Minimum Orders - 2,000 URC's & 100 per variety
- Annuals, Perennials and Floresta™ foliage can be combined to meet minimum order. Foliage will ship in a separate box from annuals and perennials
- Standby orders will be answered within 48 hours
